Dear Madam/Sir,

On behalf of the Organizing Committee, we are glad to invite you to present your research results at the International Conference "**EU Finance, REgulation and Business EUFIRE 2023**" organized at the Alexandru Ioan Cuza University of Iași (Romania), on the 19th and 20th of May.

Considering that Romania is a candidate country to the European Monetary Union, the conference aims at offering the framework for debating the main challenges faced within European Union and globally, emphasizing the regulatory perspective for the financial sector, in particular, and for the business sector, in general. The event will reunite academics, researchers, and practitioners, both from Romania and abroad, and will provide the necessary background for the development of constructive analysis and productive dialogue. Participation at the sessions of the event will be open to academics, researchers, students, and practitioners with interests in EU economics, public administration and legal studies, to present the results of their scientific work and/or to attend/participate in the discussions.

In response to the actual demand for fruitful academic events, the conference organizing committee proposes an on-site format, guaranteeing the opportunity for all the participants to bring up their research results for debate, both in plenary sessions and in panel discussions. The conference is offering the possibility to present the papers and to benefit from other specialists' pertinent opinions on the results of the research. The dialogue between young researchers and reputable scholars is kindly encouraged. If the health security conditions will demand special measures for academic events by mid-May 2023, then the sessions will be organized both online and on-site, favouring productive discussions among fellow academics and practitioners.

Contributors are encouraged to approach one of the main topics of the conference

(but not limited to):

- EU Banking and Financial Stability
- EU Accounting: Challenges of the Digital Era
- EU Financial and Administrative Regulation
- EU Taxation: theoretical and jurisprudential insights
- EU Business and Green Finance
- EU Macroeconomic Policies and Health Sector Strategies
- EU Information Systems and Technology for Business and Government

The conference will host the associated **Workshop on Strengthening the Jean Monnet professors' cooperation**. The participants at this event - Jean Monnet (JM) professors, researchers and JM courses students/graduates - will analyze the perspective of developing EU studies and the efficiency of the cooperation within the network, in the view of the new JM programs.

Instructions for authors:

Extended abstracts (up to 300 words) and/or full-length papers are welcomed, limited to two abstracts/papers per participant. The papers should be written in English and their length

should be between 6 and 20 pages. The format of the paper must strictly follow the guidelines. The template form of the final paper will be available on the conference website.

Language and Publication:

The language of the conference is English, both for abstracts and papers. All submissions are subject to a **double-blind review process** and will be evaluated for originality, significance, clarity, and scientific contribution. Accepted papers will be published in the conference proceedings, which will be submitted for indexing in the Conference Proceedings Citation Index (CPCI) by Clarivate Analytics. We are honoured that all the previous conference proceedings have been indexed, while the 2021 and 2022 volumes are currently under evaluation procedure.

Upon authors' option, selected papers presented at the conference will be considered for publication in renowned peer-reviewed journals. We are glad to have been invited to submit the papers to the special issue of Electronics (MDPI journal), REBS - Review of Economic & Business Studies (indexed in EconLit, RePEc, DOAJ, Ulrich's Periodicals Directory, Index Copernicus, CEEOL, etc.) and JOPAFL - Journal of Public Administration, Finance and Law (indexed in Index Copernicus, EBSCO, CEEOL, DOAJ, etc.).
